

Technical Recruiter

Bravo LT needs you to be a part of our highly motivated group of technology experts. We share a passion for technology and the community we serve, and we are committed to building long-lasting, productive relationships. We focus on giving back to the community, positively impacting society, and providing quality solutions that work. We believe in autonomy, mastery and purpose and in trusting people to do the right thing - and we think Bravo LT is a pretty great place to be a part of.

A Bravo LT Technical Recruiter possesses an understanding of technology and the ability to deliver world class talent. If building a world class team of technical professionals is interesting to you, apply and find out how you can become a part of Bravo LT. We need talented recruiters to get the word out and share what we believe makes Bravo LT a special place to work.

Responsibilities

- Engage in the Bravo LT culture by empowering others through compassion and the power of technology
- Identify technical requirements of given roles and translate the requirements into a delivery strategy that attracts top talent
- Build talent pipelines in the ten most sought-after skill sets within Bravo LT
- Source passive talent and manage external advertising for open requisitions
- Schedule and conduct discovery calls with candidates
- Recommend and make improvements to better the candidate experience
- Deliver and refine recruiting processes to ensure Bravo LT is always finding and hiring the best talent in the marketplace
- Work collaboratively with the Bravo LT recruiting team to build a world class technical organization

Basic Qualifications

- Experience sourcing and interviewing technical candidates
- Ability to conduct technical interviews by oneself, independently
- Knowledge of recruiting techniques
- Three or more years of experience in recruiting technical talent
- Experience working within Salesforce or other CRM systems
- Strong interpersonal and communication skills and the ability to interact with a diverse group of clients and colleagues
- Able to manage time effectively
- Bachelor's degree in business, marketing, human resources, or related field
